

Thy life-giving side, O Christ, flowing as a fountain from Eden, waters Thy Church as a living Paradise. Then, dividing into the four branches of the Gospels, with its streams it refreshes the world, making glad the creation and teaching the nations to venerate Thy Kingdom with faith.  
— Beatitudes Sticheron, Matins of Holy and Great Friday  
(Service of the Twelve Gospels)

*Stained Glass Interpretation:* Fredrick G. Redinger,  
Fredrick Stained Glass, Chicago  
*Photography:* Theresa Bertocci Photography
